<b>Median value of owner-occupied housing units:</b>	\$319,200 (2009 – 2013, US Census Bureau)
<b>Total Acreage of Protected Land:</b>	90,100 (Estimated 2013, Piedmont Environmental Council)
<b>Total Park Land:</b>	3,777 acres

# Welcome

to the 2015 Report to the Community and thank you for joining with your local government in a strong partnership that has created outstanding success stories for our community, many of which are described in this report.

Aided by productive collaboration with our citizens, community groups and other key stakeholders, we are emerging from the economic challenges of recent years as a tested organization that is strong, lean, nimble and opportunistic.

Despite continuing financial constraints due to the slow and uneven pace of our economic recovery from the recession, we are pleased to celebrate significant accomplishments during the past year that add to Albemarle County's quality of life as an outstanding place to live, work and play. Our capital program saw the completion of major projects like the Crozet streetscape and the Seminole Trail Volunteer Fire Department and the start of exciting new facilities like the Northside Library. We stayed in the headlines for achievements like receiving *Gold Certification for Environmental Excellence* in the 2014 Green Government Challenge and receiving the National Government Finance Officers Association *Budgeting Award*.

## Our Board of Supervisors

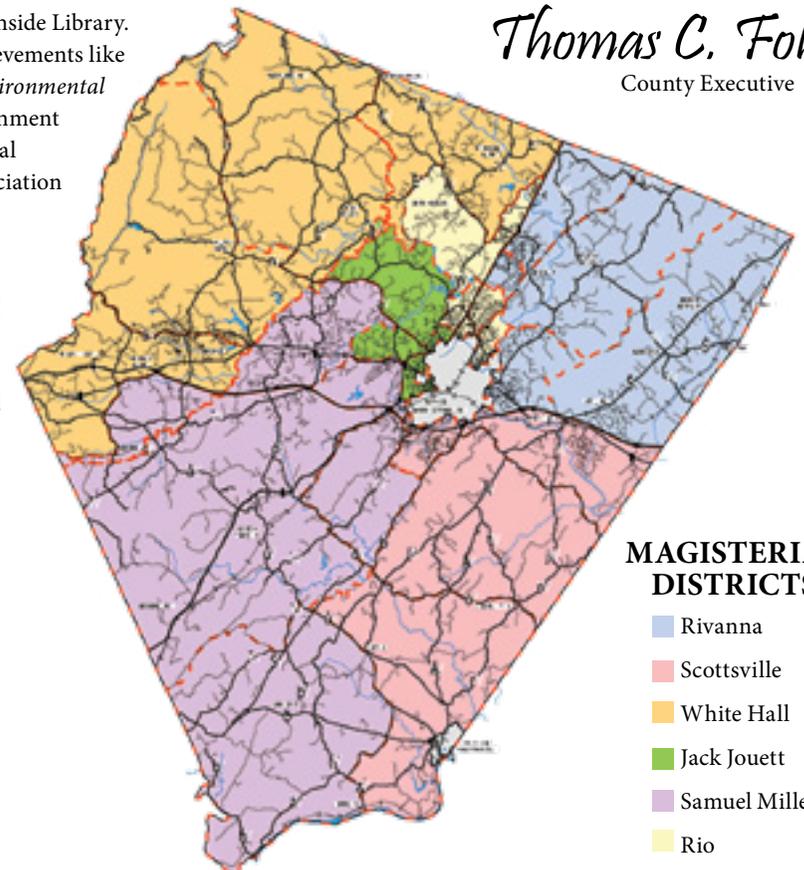

The Code of Virginia provides that each county be governed by a board of supervisors, which is elected by qualified voters. The Board of Supervisors of Albemarle County is comprised of six members, one from each magisterial district. Supervisors are elected to four-year terms which are staggered at two-year intervals. Board members are actively engaged with constituents through town hall meetings, Board meetings, and other formal and informal gatherings. Stay involved with the Board by visiting [www.albemarle.org/bos](http://www.albemarle.org/bos).

Our citizen surveys continue to tell us that meaningful public engagement is one of the community's most important priorities. Our partnership with citizens will be critical as we continue to transform our local government. Please note the many ways you can connect with County government listed on the next page of this report.

This year we are solidifying our commitment to government transparency and engagement by restoring our Community Engagement position and adding new services like video streaming Supervisor meetings to improve accessibility and convenience for citizens.

We appreciate your active participation and support as we work together to respond to the evolving needs of our community. We face major decisions about how to achieve the aspirations that are important to Albemarle County. We hope all citizens will be an active part of our budget process as it moves forward this spring so that community priorities can continue to be addressed.

*Thomas C. Foley*  
County Executive

## Notable FY 15 Capital Projects

### NORTHSIDE LIBRARY

The Northside Library project will provide a permanent location for the Northside Library at 705 Rio Road (former Phillips Building) and also will provide long-term County warehouse/storage space at a significant cost savings to the County. The new facility, involving the repurposing of an existing building, will provide approximately 30,000 square feet of library space and over 20,000 square feet of warehouse space. Construction began in early 2014 with completion currently scheduled for early 2015.

### CROZET STREETSCAPE

The streetscape project is an essential step in achieving the goals of the Crozet Master Plan by improving pedestrian connectivity within downtown Crozet, providing economic benefits and increased vitality for business owners, balancing the needs of all users including vehicles, pedestrians, and bicyclists, and aesthetically enhancing the entryway and main thoroughfare of downtown.

### And more!

- Completed security improvements to 13 schools
- Began design of new indoor regional firearms training center to improve police training capacity in partnership with UVA and Charlottesville
- Supported establishment of new Boys and Girls Club at Scottsville Community Center

### SEMINOLE TRAIL VOLUNTEER FIRE DEPT.

Seminole Trail Volunteer Fire Department is the busiest fire/rescue station in the County, as well as one of the largest. Today, the station responds to over 2,000 calls for service. The new station includes a 7,500 sq. ft. addition and full renovation of the existing 7,500 sq. ft. facility. Enhancements include expansion of living quarters, bringing the existing facility up to code, and the addition of several flexible spaces that can be used for training, meeting, or conducting study sessions.

### Spotlight: Innovation

The Invent Albemarle Innovation Fund was conceived in FY13 as a creative way to move forward with innovative projects in local government.

Ideas that can be demonstrated to yield a return on investment, reduce operating costs, help free up employee time for more productive work, increase process efficiency, improve the customer experience, or establish a competitive edge are all eligible for consideration of Innovation Fund support.

Some of the successes from the first round include:

**Technology Training Available Anytime, Anywhere**  
Development of online, prerecorded training course library for those unable to attend in person.

**Building Better Officers: Police Mentorship**  
Creation of a Mentor Program for young officers in law enforcement to strengthen relationships between new and experienced police officers.

**Engage.Albemarle.org**  
An online community engagement platform that provides meaningful, inclusive citizen involvement in County projects and issues.

**Surplus Property Website**  
A website that allows local government and schools to preview surplus items before they are sent to the warehouse or made available for public sale.

## 2014 Highlights

### OPERATIONAL/ORGANIZATION IMPROVEMENTS

- Completed implementation of Access Albemarle - a new Financial Management System with customer online access
- Fully implemented Purchasing Card program resulting in \$28,000 savings to the County
- Established new County/City Fire Services Contract
- Expanded EMS Cost Recovery Program to Western Albemarle Rescue Squad and Earlysville Fire Company and adopted Residents Program
- Established Economic Development Office with Director to be hired in early 2015
- Board held strategic plan retreat and adopted the County's FY 15-17 Strategic Plan

### FACILITIES/INFRASTRUCTURE HIGHLIGHTS

- Completed major urban services projects including Crozet Streetscape, Seminole Trail Volunteer Fire Dept, and Belvedere Phase 1 and 2 improvement – stormwater facilities
- Completed security improvements to 13 schools
- Began design of new indoor regional firearms training center to improve police training capacity in partnership with UVA and Charlottesville
- Established County's first nature reserve at Arrowhead Farm
- Supported establishment of new Boys and Girls Club at Scottsville Community Center

- After public input process, supported the investment of over \$230 million by the State to improve mobility and reduce congestion in the Route 29 corridor
- Supported an active broadband taskforce working to identify potential solutions, with continued efforts on grant application funding sources

### AWARDS

- Named #2 *Most Technologically Advanced County Government* in the country for our population by the Center for Digital Government and National Association of Counties 2014 Digital Counties Survey
- Won 1st place in the Information Technology as Efficiency Driver – Government to Government category at the Commonwealth of Virginia Innovation Technology Symposium (COVITS).

- Received National Government Finance Officers Association *Budgeting Award* for the 9th year
- Received *Gold Certification for Environmental Excellence* in the 2014 Green Government Challenge for the fifth year out of the last six

### CITIZEN ENGAGEMENT

- Launched Engage Albemarle – an on-line engagement platform to interact with and receive feedback from citizens
- Re-instated the County's Citizen's Police Academy
- Swore in first class of Auxiliary Police Officers
- Awarded Fire Prevention grant to fund community outreach program, *Program RISK (Residential, Inspections, Smoke Alarms, Knowledge)*
- Engaged with 88 Boards and Commissions (Commissions, Councils & Authorities) composed of community volunteers
- Held 38 Town Hall Meetings for Annual Budget and 5-Year Financial Plan Processes
- Formed Citizen Advisory Committees working with the County on solutions for long range solid waste and water resources funding

# 2014 Highlights

## INNOVATION

- Successfully launched Innovation Fund, with 9 projects funded in the first round – 2nd round currently underway
- Introduced “Living Our Values” and “Leadership at All Levels” employee awards
- Graduated the third class of Innovative Leaders Institute (50+ alumni) bringing total of attendees to 60

## PARTNERSHIP

- Convened five joint Board of Supervisor/School Board working groups focused on recommending ways to improve budget collaboration
- Held joint meeting with Board/City Council and established three working groups to improve collaboration, including examining possible co-located General District Court facility with Charlottesville
- Held joint meeting with Board/Planning Commission to clarify and improve processes between the two bodies

## LEGISLATIVE

- Met all requirements of Virginia Stormwater Management Program on-time with full state approval
- Implemented farm brewery legislation that met legal guidelines and addressed local concerns
- Conducted extensive review of Comprehensive Plan as part of the five year update process, including numerous public comment opportunities
- Began process of reviewing cash proffer policy to ensure fairness and effectiveness
- Pursued robust engagement locally and at the regional level with state legislators to identify and enact additional revenue generating options

## GRANTS AWARDS FOR 2014

- Prepared applications for 30 grants for a total of \$5.8M with matching funds of \$1.8M
- At this time the County has been awarded 21 grants for a total of \$2.5M with matching funds of approximately \$500,000

## SCHOOLS

- High schools have an on-time graduation rate of 95% and a drop-out rate of 2.3%, outperforming their peers across the state – the on-time graduation rate in Virginia is 90% and the drop-out rate is 5.4%
- Among graduates, 66% received an Advanced Studies Diploma, compared to a statewide rate of 56%
- All three of Albemarle County’s comprehensive public high schools are in the top 50 among Virginia’s 335 high schools according to the Niche national rankings – three of the Division’s middle schools also are ranked in the top 50 among 340 middle schools in the state
- Western Albemarle’s Scholastic Bowl team is ranked second in the nation

- Albemarle County is the first school division in the nation to receive two Magna Awards, given annually by the National School Board Associated for excellence in academic and community outreach programming
- Sutherland Middle School is one of three Smithsonian Schools in the country
- Two student teams, from Albemarle High School and Brownsville Elementary School, placed among the top five teams in the world in their respective categories in the Destination Imagination Global Finals and three other Albemarle County teams placed in the top 20

- County parks and boat launches/river access
- Trail development & maintenance
- Athletic programs & classes
- Festivals and cultural agencies like the library system and Convention & Visitor's Bureau

### 3¢ funds Community Development

- Planning, Zoning & Inspection services
- Rural area protection
- Neighborhood improvements

## FY 15 Operating and Capital Budget

### WHERE THE MONEY COMES FROM

#### Bond Proceeds: \$25M

Includes revenues from bond issues that are to be used to finance certain capital improvements.

#### Property Taxes: \$151M

Includes revenues from taxes that are based on the assessed value of real and personal property owned by businesses, individuals, and public service corporations.

#### Other Local Revenue: \$70M

Includes revenues from such sources as other taxes, permits, fees, fines, and charges for services.

#### State Revenue: \$77M

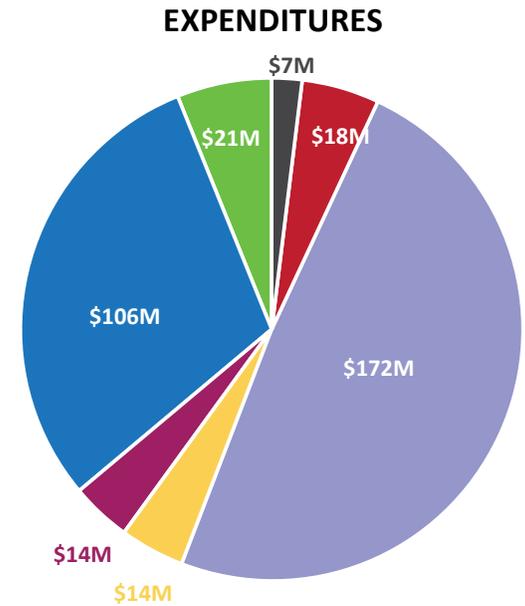

Includes revenues received and designated by the Commonwealth for a specific use by the County.

#### Federal Revenue: \$18M

Includes revenues received and designated by the Federal Government for a specific use by the County.

#### Use of Fund Balance: \$11M

Reflects the use of County savings for one-time expenditures or emergency needs.

### HOW THE MONEY IS SPENT

#### City Revenue Sharing: \$18M

Payment to the City of Charlottesville based on the 1982 Revenue Sharing Agreement

#### School Division Operations: \$172M

#### School Capital: \$14M

#### School Debt: \$14M

Includes expenditures for School operations, capital improvements, and debt service payments

#### General Government Operations: \$106M

#### General Government Debt: \$7M

#### General Government Capital: \$21M

Includes expenditures for General Government operations, capital improvements and debt service payments

# Albemarle County Board of Supervisors FY15-17 Strategic Plan

The Board of Supervisors formally approved the eight aspirational goals and Year One priorities illustrated below. These goals are the basis of the County's new Strategic Plan.

## GOAL 1

**Citizen Engagement:** Successfully engage citizens so that local government reflects their values and aspirations

### Year One Priority

By June 2015, increase opportunities for meaningful citizen engagement

## GOAL 2

**Critical Infrastructure:** Prioritize, plan and invest in critical infrastructure that responds to past and future changes and improves the capacity to serve community needs

### Year One Priorities

1. By June 2015, establish and implement a 3-5 year plan for the use of the Ivy Materials Utilization Center as a waste handling and recycling facility
2. By October 2015, establish a long-term solid waste plan, with an emphasis on reducing, reusing, and recycling
3. By June 2015, establish direction and begin the design process to meet the long-term needs of the Circuit and General District Court operations

## GOAL 3

**Development Areas:** Attract quality employment, commercial, and high density residential uses into development areas by providing services and infrastructure that encourage redevelopment and private investment while protecting the quality of neighborhoods

### Year One Priority:

By June 2015, complete Comprehensive Plan Review and adoption

## GOAL 4

**Economic Prosperity:** Foster an environment that stimulates diversified job creation, capital investments, and tax revenues that support community goals

### Year One Priority:

By June 2015, establish an Economic Development Office to achieve the County's economic development mission and goals

## GOAL 5

**Educational Opportunities:** Provide lifelong learning opportunities for all our citizens

### Year One Priorities

1. By June 2015, in partnership with the school system, identify potential improvements in funding strategies for K-12
2. By June 2015, a collaborative work group, which includes members of the School Division, Local Government and community members, will identify possible short- and long-term solutions to maintain, and possibly increase, the current availability of quality pre-school opportunities

## GOAL 6

**Natural Resources:** Thoughtfully protect and manage Albemarle County's ecosystems and natural resources in both the rural and development areas to safeguard the quality of life of current and future generations

### Year One Priority

By October 2015, establish direction and funding for a program to improve water quality

## GOAL 7

**Operational Capacity:** Ensure County government's ability to provide high quality service that achieves community priorities

### Year One Priorities

1. By December 2014, complete review of staffing needs through consideration of the Five Year Financial Plan
2. By January 2015, identify and propose staffing resources needed to meet the Board's transportation priorities

## GOAL 8

**Rural Areas:** Preserve the character of rural life with thriving farms and forests, traditional crossroad communities, and protected scenic areas, historic sites, and biodiversity

### Year One Priority

By June 2015, complete Comprehensive Plan Review and adoption

## Our Guiding Principles

### VISION:

A thriving County, anchored by a strong economy and excellent education system, that honors its rural heritage, scenic beauty and natural and historic resources while fostering attractive and vibrant communities.

### MISSION:

To enhance the well-being and quality of life for all citizens through the provision of the highest level of public service consistent with the prudent use of public funds.

### VALUES:

#### Integrity

We value our customers and co-workers by always providing honest and fair treatment.

#### Innovation

We embrace creativity and positive change.

#### Stewardship

We honor our role as stewards of the public trust by managing our natural, human, and financial resources respectfully and responsibly.

#### Learning

We encourage and support lifelong learning and personal and professional growth.

## What are the Route 29 Solutions Projects?

The Route 29 Solutions Package is a \$230 million investment into the improvement of Albemarle County's infrastructure to address safety and congestion in the Route 29 corridor. This investment will boost economic development and improve mobility in this critical transportation corridor through new road construction, existing roadway improvements, streamlined signalization, and funding for increased rail service.

### The \$230 million in funding will support:

- Route 29/250 interchange improvements (Best Buy Ramp)
- Hillsdale Drive Extension
- Widening and improving Route 29 from Polo Grounds Road to Towncenter Drive
- Adaptive signal technology on Route 29
- Berkmar Drive extension north to Hollymead Town Center
- Route 29/Rio Road grade-separated intersection
- Preliminary engineering for improvements to the intersection of Hydraulic Road and Route 29
- A second passenger train between Lynchburg and Washington, D.C.

### How do I find out more?

To read the latest project information and to access advisory panel meeting materials visit [www.route29solutions.org](http://www.route29solutions.org).

For questions about the specific projects, project designs, and the construction process, please contact Joel DeNunzio, VDOT's resident administrator in Charlottesville by phone at 434-422-9373 or by email at [Joel.DeNunzio@VDOT.Virginia.gov](mailto:Joel.DeNunzio@VDOT.Virginia.gov).

For questions about County services during construction, including emergency response and school impacts, please contact Emily Kilroy, Albemarle County's community engagement specialist by phone at 434-296-5841 x 3422 or by email at [EKilroy@Albemarle.org](mailto:EKilroy@Albemarle.org).

## Top Ten Things You Need to Know About Route 29 Solutions

1. Route 29 will never be completely closed at any point in any of the projects
2. The Rio Road intersection will be disrupted for a maximum of 103 days during the summer of 2016
3. The County police are working closely with VDOT to address the possibility of cut through traffic during construction
4. Emergency vehicle access and first responders will not be adversely affected by construction
5. Access to all businesses will be maintained at all times during construction
6. Access to all subdivisions will be maintained at all times during construction
7. Traffic forecasts are based on new traffic count data collected in 2014
8. The Rio Road intersection project has been actively and publicly discussed since at least 1990
9. A panel of local leaders, including business owners along Route 29, are advising VDOT on all aspects of the project

**Looking for #10????** Visit [www.route29solutions.org](http://www.route29solutions.org) for the rest of the story . . .

## Major Milestones in 2015 and 2016

### SPRING 2015

- Route 29/Route 250 Interchange construction begins
- Berkmar Extension, Rio Road Intersection and Route 29 Widening notice to proceed issued

### SUMMER 2015

- Adaptive Signal System phase one construction complete
- Rio Interchange utility relocation begins

### FALL – WINTER 2015/16

- Route 29 Widening construction begins
- Rio Road Intersection construction begins

### SPRING 2016

- Construction completed on Route 29/Route 250 Interchange
- Berkmar Extension construction begins
- Hillsdale Drive Extension construction begins

### MAY 23, 2016

- Rio Road Intersection three month restriction begins

### SEPTEMBER 2, 2016

- Rio Road Intersection restriction ends

### WINTER 2016

- Rio Road Intersection construction completed

## The Real Story on the Rio Road Intersection

During construction, every business that has access on Route 29 or Rio Road will continue to have an access point on Route 29 or Rio Road. However, due to the closure of cross movements on Rio Road within the intersection from May 23 - Sept. 2, 2016, some drivers may have to make U-turns or use parallel roads to access some businesses with entrances between Woodbrook Drive and Twentyninth Place.

After construction, every business that has access on Route 29 or Rio Road will continue to have an access point on Route 29 or Rio Road. However, the northern most entrance to Fashion Square Mall on Route 29 will become right-in and right-out only. The Route 29 entrance to Albemarle Square Shopping Center will also become right-in and right-out.

The Rio/29 intersection will be restricted for 103 days from May 23 - Sept. 2, 2016. During that time, Rio can be closed to east-west traffic across Route 29. Left turns from Rio to Route 29 and from Route 29 to Rio can be closed. Right turns from Route 29 to Rio and Rio to Route 29 will be permitted. Three northbound lanes and two southbound lanes will be maintained on Route 29 from 6 a.m. to 9 p.m. The signalized light at Rio and Route 29 will not be in use during this time, which means north-south Route 29 traffic will move unimpeded, as will right turns.

Before May 23, 2016 and after Sept. 2, 2016, four through lanes in each direction on Route 29 and two through lanes in each direction on Rio will be maintained from 6 a.m. to 9 p.m. All roadway connections and all existing traffic movements will be maintained from 6 a.m. to 9 p.m.
