“It’s very unfortunate that I meet a lot of great people in bad situations, but at the same time, it is a great feeling to know that I am the one there to help them when they need someone the most. Now that is truly priceless.”

–Bill Strother, Captain

The Fire Company

The North Garden Volunteer Fire Company has been serving and protecting Albemarle County for over 35 years. We are made up of dedicated volunteers from all walks of life. We pride ourselves in helping our fellow citizens, whomever they are and for whatever they need.

Many people find themselves wandering through life feeling unsatisfied. If this is you, the fire service may be what you seek. It gives you the opportunity to expand your horizons and knowledge, while giving you the personal satisfaction of helping others in your community.

Volunteer Opportunities

Junior Firefighter

If you are 16-18 years old, you can still take advantage of what the fire service can provide. Kick start your career in fire and emergency medical services. The first step in becoming a career firefighter or emergency medical service provider is volunteering. Get training now that will help you develop strong, marketable skills for the life ahead of you.

Firefighter and/or EMT

You will be trained to handle nearly every situation. This will not only assist you in helping others, but also in other aspects of your life. With the teamwork and leadership skills developed by volunteering as a firefighter or EMT, you will rise above the crowd.
