Broadband Projects

The Albemarle County Broadband Authority is soliciting public comment for several Broadband Projects as part of one or more application(s) for Virginia Telecommunication Initiative Grant Funds. The intended Broadband Projects are as follows: 1. Dick Woods Road from the intersection of Smith Road North to Nelson County, and Critzers Shop Road 2. Signal Hill and Beacon Hill along Batesville Road 3. Greenwood area west of the CSX Railroad 4. Sections of Tilmans Road further northwest from 250 to Owensville Road 5. Craigs Store Road from the Nelson County border to include parts of Castle Rock Road 6. All of Green Creek Road to Bungletown Road; including all local roads 7. Howardsville, north to Mt. Alto Road 8. Warren and Hatton along Hatton Ferry Road 9. Free Union Road North to Include Shiffletts Mill Road to Boonesville 10. Areas in Cobham and Lindsay North on Gordonsville Road For additional information, contact Michael Culp at [\(434\) 296-5891](tel:434-296-5891). Written comments may be addressed to the County's Office of Information Technology, 401 McIntire Road, Room 134, Charlottesville, VA 22902, via email to broadband@albemarle.org, or in person during normal business hours, no later than Dec. 14, 2018.
