RE: 2017 Virginia Telecommunications Initiative
Grant Offer

Dear Madame Chair McKeel:

On behalf of Governor McAuliffe, it gives me great pleasure to inform you that Albemarle County has been offered a Virginia Telecommunications Initiative Grant in the amount of \$ 118,400.00 in support of Albemarle's partnership with Century Link. This proposal was offered funding under the 2017 VATI competitive round.

Tamarah Holmes, Ph.D., Associate Director within the Department's Community Development Division will soon be contacting you to discuss contract requirements and next steps. We are pleased to be of assistance to Albemarle County in expanding service to unserved areas of the county.

Sincerely,

Bill Shelton
