

Albemarle County Department of Parks and Recreation

Equine Infectious Anemia Regulations

In accordance with the State of Virginia administrative code VAC 5-70-20.

Each member of the equine species using the Park must be accompanied by a report of an official negative test for equine infectious anemia conducted within the previous 12 months. "Official test" means the agar gel immunodiffusion test (Coggins AGID).

Upon request, owners must present the "Coggins" report for each member of the equine species using the park. Owners without valid test reports could be charged with a Class I Misdemeanor and will be asked to leave the Park.

If you have questions please call 434-296-5844 or on the web a www.albemarle.org/parks

Your cooperation in this matter will ensure the safety of all equine users of the Park!
