

PREFERRED PRICING GUIDELINES

1. Look for the decal below on the door/window of participating businesses/vendors.
2. Be sure to thank our Preferred Pricing Partner for their participation! Any arrangements, services, or products purchased through this program are the sole responsibility of the individual as a consumer and the service provider. It is the individual's responsibility to carefully check the goods and services offered.
3. The volunteer must present a valid Albemarle County Department of Fire Rescue photo identification card in order to receive any discount or incentive.
4. The volunteer must identify him/herself and present the photo id before the purchase is made or services are rendered.
5. Any discounts may be discontinued without notice. If the vendor refuses to provide a discount or incentive, the volunteer should not dispute this with the business or vendor. Report this information to the Department of Fire Rescue.
6. The volunteer shall be courteous. Rude and/or inappropriate behavior on the part of the volunteer will not be tolerated. If a vendor or business reports such behavior, loss of individual or group benefits is likely.
7. Contact the Department of Fire Rescue with information on businesses or vendors who are not yet participating but may have the desire to do so. Likewise, notify the department of any vendor or business that is no longer offering preferred pricing or services.
8. The County of Albemarle assumes no obligation for these arrangements and does not endorse or warranty any of the listed organizations' services, products, or programs, nor does it negotiate, guarantee, nor endorse discount vendors or discount prices.
