The samples indicate the source files provided by the Department of Finance and Budget for the County of Albemarle and suggested formats for each type of correspondence required. The County will consider reformatted configurations to fit 8 1/2" x 11" paper. Contractor shall provide, at no charge, minor design changes as requested by the Department of Finance and Budget. Input fields are mapped to the sample form. As contractor, equipment and capability may vary, offerors should regard the samples output as guidelines and provide responses that include samples to be produced. Font types and size may vary but fonts should be uniform within a section of correspondence. While most of the samples provided can be derived from the inputs without processing, some date files require calculated field. Any submitted job not presentable, as determined by the Department of Finance and Budget, or having incorrect information, not supplied by the Department of Finance and Budget, will be reprinted and mailed at Contractor's expense. Date for this mailing to be determined by the Department of Finance and Budget.

I. Security and Confidentiality:

Contractor must define and demonstrate security procedures that are in place regarding transmission and safety of confidential information. The Department of Finance and Budget requires both network and physical security of information. The Department of Finance and Budget's information, statements and documents are to be made available only to the Contractor and parties approved by the Department of Finance and Budget. The Contractor must demonstrate and document that these security measures are in place. No data will be transmitted without consent of the Department of Finance and Budget. Contractor shall not use, disperse or sell information provided by the Department of Finance and Budget for printing and mailing of submitted jobs. Contractor must read the Department of Finance and Budget Confidentiality and Security Policy regarding the security and safeguarding of confidential information, and sign an agreement acknowledging a clear understanding of the policy and agreeing to ensure its compliance.

Disaster recovery procedures require the same security levels as noted above (Section "I", Security).

K. Opportunities for Costs Savings:

The Contractor shall assist the County in identifying additional areas within the County for which there may be opportunities to use automation to improve efficiency in processing mailings and/or lowering postage costs. This may involve making presentations of services and estimates of savings on postage, printing and processing that could be reasonably expected.

VI. PROPOSAL PREPARATION AND SUBMISSION INSTRUCTIONS:

A. GENERAL INSTRUCTIONS:

1. RFP Response: In order to be considered for selection, offerors must electronically submit a complete response to this RFP. One (1) original of the proposal must be submitted by email to LTHOMAS3@ALBEMARLE.ORG and copy to RFQ@ALBEMARLE.ORG in PDF format , as a complete sealed proposal. No other distribution of the proposal shall be made by the offeror.
2. Redacted Copies: In addition to the RFP response specified above, and if determined by the offeror (if redacting per attachment G), proposals must include an electronic redacted copy (separate) of the proposal in accordance with the identified proprietary or confidential information. Proprietary language or data must be removed or blacked out, in conformity with § 2.2-4342F of the Code of Virginia. The redacted proposal will be made available to the public in accordance with § 2.2-4342F of the Code of Virginia in response to requests for documents. It shall be the sole responsibility of the Offeror to ensure the supplied, redacted copy protects the firm's interests with regards to proprietary or confidential information that, in accordance with § 2.2-4342F of the Code of Virginia may be considered protected information.

No other distribution of the proposal shall be made by the offeror.

3. Proposal Preparation:

- a. Proposals shall be signed by an authorized representative of the offeror. All information requested should be submitted. Failure to submit all information requested may result in the County of Albemarle requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete, or lack key information may be rejected by the County. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.
- b. Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.
- c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, subletter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and subletter should be repeated at the top of the next page. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.
- d. As used in this RFP, the terms "must", "shall", "should" and "may" identify the criticality of requirements. "Must" and "shall" identify requirements whose absence will have a major negative impact on the suitability of the proposed solution. Items labeled as "should" or "may" are highly desirable, although their absence will not have a large impact and would be useful but are not necessary. Depending on the overall response to the RFP, some individual "must" and "shall" items may not be fully satisfied, but it is the intent to satisfy most, if not all, "must" and "shall" requirements. The inability of an Offeror to satisfy a "must" or "shall" requirement does not automatically remove that Offeror from consideration; however, it may seriously affect the overall rating of the Offerors' proposal.
- e. Each copy of the proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.

- f. Ownership of all data, materials, and documentation originated and prepared for the County pursuant to the RFP shall belong exclusively to the County and be subject to public inspection in accordance with the *Virginia Freedom of Information Act*. Trade secrets or proprietary information submitted by an offeror shall not be subject to public disclosure under the *Virginia Freedom of Information Act*; however, the offeror must invoke the protections of *Virginia Code* § 2.2-4342(F), in writing, either before or at the time the data or other material is submitted. The written notice must specifically identify the data or materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable.
- g. All costs of proposal preparation and presentation shall be borne by each offeror. The County is not liable for any cost incurred by the offeror prior to issuance of a contract.

4. **Oral Presentation:** Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the County. This provides an opportunity for the offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. The County will schedule the time and location of these presentations. Oral presentations are an option of the County and may or may not be conducted.

B. SPECIFIC PROPOSAL INSTRUCTIONS:

Proposals shall be submitted in **two separate** pdf volumes – Volume I; Technical Proposal and Volume II; Price Proposal. No price data shall be included in Volume I, Technical Proposal.

Independent Contractor: Contractor shall agree and covenant that it is and shall be at all times, an independent contractor and, as such, shall have and maintain complete control over all of its employees and operations. Neither the Contractor nor anyone employed by it shall be, represent, act, purport to act, or be deemed to be an agent, representative, employee or servant of the County. Nothing in this section shall be deemed to absolve or otherwise limit the Contractor's liability and responsibility to safely and correctly perform its duties under this Agreement.
23. Waiver: No failure of County to exercise any right or power given to it by law or by this

Agreement or to insist upon strict compliance by Contractor with any of the provisions of this Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of the County's right to demand strict compliance with the terms of this Agreement.

24. Interpretation: Whenever the context hereof shall require, the singular shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders.
25. Severability: The provisions of this Agreement shall be deemed to be severable, and should any one or more of such provisions be declared or adjudged to be invalid or unenforceable, the remaining provisions shall be unaffected thereby and shall remain in full force and effect.

Therefore, pursuant to Code Section 2.2-4304, other public bodies and agencies shall have the right to utilize the provisions of the Agreement. However, when other public bodies and agencies utilize the contract, Contractor must establish a separate contractual relationship between it and the other party. Under no circumstances shall the County be a party to or incur any obligations or responsibilities, contractual or otherwise, in association with these contractual agreements between the Contractor and another public body or agency.
27. Contract Claims by Contractor: Prompt knowledge by the County of an existing or impending claim for damages or other relief may alter the plans, scheduling, or other action of the County and/or result in mitigation or elimination of the effects of the claim. Therefore, a written statement providing the County with notice of the Contractor's intention to file a claim which (i) describes the act or omission by the County or its agents that the Contractor contends caused it damages or entitles it to other relief; and (ii) provides a description of the nature and amount of the claim. Such written statement shall be submitted to the Purchasing Office of the Albemarle County Department of Finance within 20 days of the time of the occurrence or beginning of the work upon which the claim is based; provided, however, if such damage is deemed certain in the opinion of the Contractor to result from its acting on an order from the County, it shall immediately take written exception to the order. For purposes of this provision, "claim" shall include, without limitation, any request for an increase in the Agreement price or time and any request for equitable adjustment. Submission of a notice of claim as specified shall be mandatory, and failure to submit such notice shall be a conclusive waiver to such claim for damages or other relief by the Contractor. Neither an oral notice or statement, nor an untimely notice or statement will be sufficient to satisfy the requirements herein. The County will review the claim and render a final decision in writing within thirty (30) days of receipt of Contractor's written request for a final decision. Such decision shall be final and binding to the fullest extent allowed by law.
28. Claims for Extra Compensation: If Contractor encounters work and services not included in this Agreement or any supplement thereto but which in the opinion of Contractor is necessary for the successful completion of the Agreement and requires extra compensation, Contractor shall, before it begins the work on which it bases its claim, promptly notify the Purchasing Office of the Albemarle County Department of Finance in writing of its intention to perform the work and to make claim for extra compensation. Notification by Contractor under the terms of this paragraph shall not be construed as proving the validity of the claim. No claim for extra compensation will be filed or considered unless notification is given as herein set forth. Upon notification, the County shall promptly review any claim for extra compensation. If a claim is accepted by the County, it shall be paid as extra work in accordance with the terms of a supplemental agreement executed by the parties before such work is begun. The amounts claimed as extra compensation by Contractor shall be separately itemized, become a part of the claim, and serve as documentation thereto. The amounts itemized shall be in sufficient detail to enable the County to analyze the need for the extra work and the costs claimed for the work.

29. Payments to Subcontractors: In accordance with Virginia Code Section 2.2-4354 of the Virginia Public Procurement Act, the Contractor shall make payment to all subcontractors, as defined in the Code, within seven (7) days after receipt of payment from the County; or, shall notify the County and the subcontractor in writing of the intention to withhold all or part of the amount due with the reason for nonpayment. In the event payment is not made as noted, the Contractor shall pay interest at the rate of one percent (1%) per month unless otherwise provided in the contract to the subcontractor on all amounts that remain unpaid after seven (7) days except for the amounts withheld as provided herein. These same requirements shall be included in each subcontract and shall be applicable to each lower-tier subcontractor. In certain cases, where coverage is unavailable through licensed carriers, certificates of insurance written by a Surplus Lines Carrier authorized by the Virginia State Corporation Commission to transact the business of insurance in Virginia and acceptable to the County may be approved. Contractor shall furnish the County with certificate of insurance showing Contractor's compliance with the foregoing requirements.

Code § 2.2-4337 and/or 2.2-4339 [choose one-then delete this note] each payable to the County and each in the sum of the Agreement amount. The performance bond shall be conditioned upon the faithful performance of the Agreement in strict conformity with the terms and conditions of the Agreement, and the payment bond shall be conditioned upon the prompt payment for all such material furnished or labor supplied or performed in the prosecution of the work. Each of the bonds shall be executed by one or more surety companies selected by Contractor which are licensed and legally authorized to conduct the business of insurance, including surety, within the Commonwealth of Virginia.
