

Albemarle County Telecommunications Ordinance Update

Project Kickoff Meeting

Albemarle County is embarking on a Wireless Master Plan project which includes telecommunication (personal wireless facility) regulation updates, wireless infrastructure catalog and an engineering study identifying gaps in wireless services throughout the County.

Join us at the County Office Building for an introductory kickoff meeting where we will discuss the project overview, process and schedule with the community.

Where:
Room 241
401 McIntire Rd.
Charlottesville, VA
22902

When:
4:00 - 6:00 PM
March 7th, 2023
