# Family Support Program

*A voluntary program to support children and the adults in their lives.*

The Albemarle County Family Support Program is a partnership between Albemarle County Public Schools and Albemarle County Department of Social Services. The mission of the Program is to provide prevention and intervention services that support children's well-being, safety and permanency, strengthen families, and promote school engagement through home, school, and community collaboration.

There are currently (10) Albemarle County elementary schools and (4) middle schools being served by the program.

Family Support Workers are knowledgeable about the educational process, how to access a variety of community resources, and are responsive to family needs.

## **The Family Support Program helps families and children by providing:**

### **Resource Support:**

- Collaborate with community resources to help families identify and access necessary resources (Food/Financial/Housing/Transportation)
- Build self-sufficiency skills

### **Parental Support:**

- Reduce stress in the family
- Enhance the parent-child relationship
- Help families to identify and/or build their support system
- Assist with crisis intervention and problem solving
- Support child's growth and development

### **School Support:**

- Partner with school staff to build home-school connections
- Increase collaboration between the school, home, and community
- Skill building activities with students

### **Enrichment:**

- Activities to promote Family Engagement
- Information regarding afterschool, childcare, summer camps, sports, and other activities

### **Parents can help their child succeed by:**

- Ensuring children arrive at school on time and attend regularly
- Attending school events
- Communicating with school staff and their Family Support Workers
