

**DATE: April 12, 2024**

**ADDENDUM NO: TWO**

**TO ALL OFFERORS:**

**REFERENCE:** RFP No: 2024-RFP-7042320  
 Commodity: Web-Based Multi-Tier System of Supports  
 RFP Closing On: Tuesday, April 23, 2024, at 2:00pm ET

1. Please see questions and answers:

Q #	A #	
Q1		There is a section in the RFP under Volume 1, Section 2, subsection C for Technology Specifications. Where would the district like for us to place the other Statement of Need sections within Volume 1 in the proposal? What section and subsection?
	A1	<b>Offerors should put their response together as they feel it best represents their Company and Services. As long as the section is appropriately labelled, Offerors may provide information in Volume 1.</b>
Q2		Can you clarify what kind of information must be included in Section A in the Statement of Needs?
	A2	<b>Section V: Statement of Needs, Item A: General Requirements, is an informational overview. You may provide information as to how the company meets those requirements.</b>
Q3		What is your current data SIS system?
	A3	<b>PowerSchool SIS</b>
Q4		We wanted to ask for clarification on Section D.6.a.vii- Integrated to what extent? As in, they can be used alongside? Or that there should be a technical integration online?
	A4	<p><b>This area seeks information from vendors about how integration with existing resources - Screeners, instructional programs, and progress monitoring tools, goes beyond just data and into the library of interventions for instructional purposes.</b></p> <p><b>At a minimum, ACPS expects the system to work alongside our resources in a way that makes sense for the teachers and to minimize double data entry both for student data, and for choosing and tracking the intervention resources that will be used in the plan.</b></p> <p><b>The preference is for systems that currently can, or can be customized to incorporate both our current resources, and other evidence-based programs, in their library of interventions, and additionally can use the data from universal screeners, instructional resource levels and data, and/or progress monitoring tools to recommend certain interventions or particular instructional resources from the program's library.</b></p> <p><b>While this level of functionality may not be totally possible, ACPS is interested in seeing how Offeror's may be able to incorporate and grow ACPS instructional resources in the intervention library.</b></p>

2. All other terms and conditions of the solicitation remain unchanged. Proposals must be received in accordance with the solicitation requirements by **2:00pm ET on Tuesday, April 23, 2024**. Late proposals will not be considered.
3. **A signed acknowledgement of this addendum must be received by this office attached to your proposal.** Signature on this addendum does not constitute your signature on the original proposal document. The original proposal document must be signed also.

Sincerely,

*Sharon Cash*
