Commonwealth.

Using GIS web map or a physical survey of your property, please provide a sketch plan that shows the following:

- Y **Location of all structures used for the events or activities** - Approval of a building permit is needed for all new structures to be used for events and activities.
- Y **Location of parking** - Provide one (1) 9' X 18' parking space per two and one-half (2.5) visitors, plus one (1) space per employee (includes caterers, musicians and vendors). The final number required will be calculated once it is clear how many visitors are proposed.
- Y **Location of the entrance to be used by visitors to the events or activities** - The clearance will be sent to VDOT to confirm entrance standards are met with your proposal. If VDOT proposes entrance improvements, you will be notified of their requirements and your zoning clearance will not be approved until VDOT has given approval.
- Y **Location of tents and portable toilets** - If you propose to have a tent and or provide portable toilets then show the locations on the map.

For structures built **after May 5, 2010** and all proposed tents, portable toilets and off-street parking areas, the following setback requirements apply*

	Front	Side	Rear
Primary & accessory structures	75' – from public road right-of way 25' – from internal road or private road right-of way	25'	35'
Parking Areas	75' – from public road right-of way 25' – from internal road or private road right-of way	125'	125'
Tents & Portable toilets	125'	125'	125'

* Minimum required yard may be reduced by the Board of Supervisors upon consideration of the following: (i) there is no detriment to the abutting lot; (ii) there is no harm to the public health, safety, or welfare; and (iii) written consent has been provided by the owner of the abutting lot consenting to the reduction.

- **Land disturbance** - If you propose to disturb greater than 10,000 square feet of area for your operation then you must contact the County Engineer regarding additional requirements.
- **Uses prohibited** - Restaurants and helicopter rides are prohibited.

ADDITIONAL INFORMATION FOR YOUR FARM WINERY, BREWERY OR DISTILLERY

- Y **Neighbor notification** - When submitting a zoning clearance application to the County, written notice is required to be mailed to all abutting properties under different ownership and should identify the proposed size, type, and frequency of events, and the name and telephone number of a contact person who will be on-site during the events.
- Y **Outdoor amplified music** - If you propose to have outdoor amplified music either during your daily tasting room operation or at your permitted events and activities then a separate zoning clearance must be obtained prior to generating any outdoor amplified music. This includes but is not limited to operating a stereo/jukebox or having live music performed. **Amplified music that occurs within a structure with open doors and or windows is considered outdoor amplified music.** Please see the Outdoor Amplified Music zoning clearance for further information. Sound generated by outdoor amplified music shall not exceed the applicable maximum sound levels in section 4.18.04. Outdoor amplified music is prohibited between the hours of 10 pm—7 am Sunday through Thursday and 11 pm—7 am on Friday and Saturday.
- Y **Mobile Food Vendors** - If you propose to allow a mobile food vendor to operate at your farm winery, farm brewery, or farm distillery then a zoning clearance is required to be obtained by each mobile food vendor. Please see the Mobile Food Vendors zoning clearance for further information.
- Y **Business License** - If your events generate income beyond the sale of product(s) produced on the farm, an additional business license may be required. Contact the Finance Department to determine if an additional business license is needed.
- Y **Signs**- A sign permit is required for freestanding, wall and or temporary signs, except no sign permit is required for an agricultural product sign. If you propose to install signs, then the following regulations apply:

Sign Type	Number Allowed (Max)	Sign Area (Max)	Sign Height (Max)	Sign Setback (Max)
