## If you're building a new home on vacant land in the Rural Area, please call the Assessor's office at 434-296-5856 to check on any possible tax consequences of this action.

Separate permits may be required for Electrical, Plumbing, Heating, Ventilating, and Air Conditioning.

This permit becomes null and void if work or construction authorized is not commenced within six (6) months, or if construction or work is suspended or abandoned for a period of six (6) months at any time after work is commenced.

I hereby certify that I have read and examined this application and know the same to be accurate and correct. All provisions of laws and ordinances governing this type of work will be complied with, whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

By signing this application, the owner and/or their agent hereby grant employees of the Albemarle County Community Development & Real Estate Departments the right to enter and inspect the subject property Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m., holidays excepted.

If you are not the owner of record, please check which applies:
