

FLOODPLAIN DEVELOPMENT PERMIT

This form is intended to aid the Department in documenting and characterizing the nature of development proposed in the floodplain. Development includes buildings or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations or storage of equipment or materials. The form responses will be used to determine whether a floodplain impact plan or special use permit is required. Fees are listed in *County Code §18-35.1.f.9 & 10*.
